

SOURCE

Simplify and Streamline Your Outsourcing Journey

R&D procurement is complex and inefficient. **SOURCE** replaces outdated Excel-based workbooks, home-grown or adapted generic procurement systems with an elegant fit-for-purpose solution that centralizes all your R&D outsourcing needs, ensuring sourcing decisions follow best practice and are informed, objective and fair.

SOURCE equips both large and emerging biopharmaceutical sponsors with an end-to-end tool set to complete RFP/RFI/Change Order projects faster and more efficiently than labor-intense alternatives.

Combined with Clinical Maestro PORTFOLIO for planning and benchmarking, **SOURCE** brings the power of Fair Market Value data into Service Provider selection, giving teams confidence in budget due diligence.

SOURCE customers experience >75% reduction in outsourcing management effort and save >10% total RFP cost.
